

CHRISTIANNE'S LYCEUM OF LITERATURE AND ART

Dear U Paint I Fire Team,

We hope this message finds you and your business well as we welcome the early days of autumn and look ahead to the season with optimism.

If you are not yet familiar with us, Christianne's Lyceum of Literature and Art is a cherished community space where book lovers, authors, illustrators, educators, and families come together to celebrate and engage in a variety of literacy and art experiences. Our mission is to foster creativity, critical thinking, and social responsibility among young learners.

As we prepare for our annual scholarship fundraising gala and silent auction, we're reaching out to businesses like yours, inviting them to join us in supporting diversified access to rich literacy and art education. **Each year, through the help of community members like you, we provide \$25,000 in scholarships to 25 to 30 children**, ensuring that they receive the high-quality literacy and arts education that sets the Lyceum apart. This investment in the future has shown fruit over and over again as alumni families share the journeys of their young adults who received help in the past.

Acknowledging that these are challenging times, where many small businesses and organizations are feeling the pressure of economic change, we hope you'll consider making a donation to our silent auction. Whether it's a gift certificate, a unique product, or a service, your donation will help us continue delivering exceptional programs that nurture the imagination and growth of young minds.

In recognition of your support, your business will be prominently featured in our event program, website, social media, and newsletters, giving you valuable exposure to our wide and engaged community.

We would also like to invite you to our gala, [*In the Garden of Memory In the Palace of Dreams*](#), on **November 21st, 2026**, where we'll gather for an evening of great food, drinks, music, and connection with fellow supporters of literature and the arts.

If you have any questions or would like to know more about how you can contribute, please feel free to reach out to us

We sincerely appreciate your consideration and look forward to the opportunity to work together in making a lasting impact on the lives of children in our growing community.

Warm regards,
Christianne & The Lyceum Team
